- English will be the main language spoken in the home
- You will be treated as a member of the family, with respect and courtesy
- You will have your own furnished, comfortable bedroom
- Your host family will help you find your way around Victoria
- You will receive three meals a day, and snacks will be available.

HIGH SCHOOL PLACEMENT & SUPPORT

Do you want to study at a Canadian high school? We can help you to select and register at the school that best matches your strengths & interests, and we support you while you study there.

WORK & VOLUNTEER PLACEMENT

We can help you to gain useful work experience in an English-speaking environment. Work placements take place after your English program and are for the same number of weeks. They are unpaid; although depending upon your level of English, skills, training and experience, paid positions may also be possible. Volunteer placements can be arranged for during your English course, and are usually short-term, and always unpaid.
