Private Classes

Private classes allow you to study with a qualified native-speaker teacher one-on-one. The course content can be completely customized to suit your needs. Students study this way to improve one particular language skill such as speaking or writing, or perhaps to give a fluency boost just before a trip overseas.

Semi-private classes allow two or more students of a similar level to have the benefits of a small, custom class for a significantly reduced price - with each additional student, the hourly rate is reduced.

Instruction in French, Spanish, Japanese, Italian is readily available for private or semi-private classes. With a little notice, we can usually provide instruction in other languages as well.

<u>Class</u>	<u>Fee/Hr/Student</u>	<u># in class</u>
Private	\$48/hr	1
Semi-Private	\$28/hr/student	2

Kids' Camps

For students entering Grades 1 - 3 early French Immersion in September, our French Summer Camps are an ideal way to brush up on French speaking, listening and vocabulary before school starts. At the same time, it's a chance to make friends, learn a lot about French language and culture, and gain confidence in speaking French.

In the morning camp, students play French language games, read stories, make crafts, prepare a play and sing songs. In the afternoon camp, students explore downtown Victoria in French. Activities include sports and games, the Petting Zoo, a beach walk, the Library, and a grocery store tour.

- Aug 16-20, Monday to Friday
- Morning program: 9 a.m. - 12 p.m. (\$100)
- Afternoon program 1 p.m. -4 p.m. (\$110)
- Fulltime program 9 a.m.- 4 p.m. (\$199)

Students taking both the morning and afternoon French Immersion Summer Camps will have a supervised lunch in the school's lunch room or in a nearby park.
